

## Sample Award Notification Letter

April 24, 2017

Congratulations on your award of \$1075 for Christian Education!

The Christian Education Scholarship Program Committee has received applications and made awards to three church member families. These families collectively have six children/young adults who will benefit from these awards for their Christian education.

Besides a number of homeschoolers, these families include students attending Regent University, Oaktree Academy and Cedar Road Academy.

\$8,575 was generously given by congregation members and awarded to these seven families.

**Please be aware that the committee needs two things from you before we can issue the check for your award:**

1. A brief thank you note to the church leadership and congregation. This can be written by you, your child (ren), or both.
2. Receipts for reimbursement (homeschoolers) or documents verifying enrollment in a school or college for the 2017-18 year

Please send/take documents to \_\_\_\_\_.

We are praying for God's blessing upon you as you disciple your precious children in the Biblical worldview.

Christian Education Scholarship Program Committee,
