Church letterhead

Dear church members,

We are pleased that the church family has generously contributed to our Christian Education Scholarship Fund out of commitment to investing in Christian education. Since this fund began in 2005, over \$300,000 in scholarships have been awarded to hundreds of church families. Think about the impact that this has had on the kingdom of God! In the years to come, we are expecting to see many more of our young people prepared for principled leadership by Biblically-based Christian education. Awards from this fund will have Godly effects on their lives, families, careers and ministry.

The purpose of the scholarship fund is to assist families who need a little extra to be able to afford an education based on the Biblical worldview. We are making the attached application available to you; please read and follow the instructions carefully. Since funds are limited this year we will need to make awards to those with the most financial need, defined as those having a family income of less than \$60,000 per year or those with higher incomes and extenuating circumstances. The deadline is Sunday, April 8, 2018. Please have your completed application turned in to the church by that date, as we are unable to consider late applications.
